

MIDNIGHT SUN FILM FESTIVAL

GUARANTEE LETTER FOR TERRE DI CONFINE FILM FESTIVAL

Midnight Sun Film Festival (MSFF) has entertained collaborative ties with **Terre di confine Film Festival**.

This started in 2005 when the festival was first created in Asuni, with the name 'Asuni Film Festival' and our organisation (MSFF) was invited to the very first edition.

Later on, during the 11th edition of Terre di Confine Film Festival (**TCFF**), two members of our organisation - **Executive Director Ari Lehtola** and **Programme Manager Milja Mikkola** - were invited as guests and contributed to the festival with interviews, presentations and speeches.

In addition, on that occasion MSFF put in place contacts between Terre di Confine Film Festival and Finnish producers, so TCFF was allowed to screen, in a national premiere in Italy, the film '*Kaisa's enchanted forest*' by Finnish film director Katja Gauriloff, previously subtitled in Italian by TCFF.

Behalf of Midnight Sun Film Festival, 4th of September, 2019
